Dear Brothers and Sisters in Christ,

“Leap year!” That is what this year, 2012, is called. Every fourth year the month of February is given an extra day. February already is unique in being the shortest month of the year and also the only month that always begins and ends on the same weekday during the leap year. This piece of trivia leads

into my thoughts for this month. This year February begins on Wednesday and it ends on a Wednesday, and there are five Wednesdays in the month. Wednesdays have become almost as important as Sundays in our Church Year, in fact almost busier if you look at all the activities on the calendar.

The first Wednesday in February begins with the MOPS Steering Committee at 9:00 a.m., S.A.I.L. (our senior adult exercise program) at 11:30 a.m., at 2:00 p.m. the Wednesday Bible Study, at 5:30 p.m. Young Musicians’ practice, Confirmation and Faith Builders at 6:30 p.m., and choir practice at 7:30 p.m.

Each Wednesday in February is busier than before. The fourth Wednesday is Ash Wednesday and the beginning of our Lenten season with mid-week worship services on Wednesday. And the fifth Wednesday of February is our Lent II Vespers Worship.

“Remember the Sabbath day by keeping it holy” is more than the Third Commandment to remember to worship on Sundays. Martin Luther in his Small Catechism gives this explanation. “We are to fear and love God that we do not despise preaching and His Word, but hold it sacred and gladly hear and learn it.” And in this congregation it occurs especially Wednesdays, as well as on Sundays.

Pastor Mick**

Dear Brothers and Sisters in Christ,

“Leap year!” That is what this year, 2012, is called. Every fourth year the month of February is given an extra day. February already is unique in being the shortest month of the year and also the only month that always begins and ends on the same weekday during the leap year. This piece of trivia leads

into my thoughts for this month. This year February begins on Wednesday and it ends on a Wednesday, and there are five Wednesdays in the month. Wednesdays have become almost as important as Sundays in our Church Year, in fact almost busier if you look at all the activities on the calendar.

The first Wednesday in February begins with the MOPS Steering Committee at 9:00 a.m., S.A.I.L. (our senior adult exercise program) at 11:30 a.m., at 2:00 p.m. the Wednesday Bible Study, at 5:30 p.m. Young Musicians’ practice, Confirmation and Faith Builders at 6:30 p.m., and choir practice at 7:30 p.m.

Each Wednesday in February is busier than before. The fourth Wednesday is Ash Wednesday and the beginning of our Lenten season with mid-week worship services on Wednesday. And the fifth Wednesday of February is our Lent II Vespers Worship.

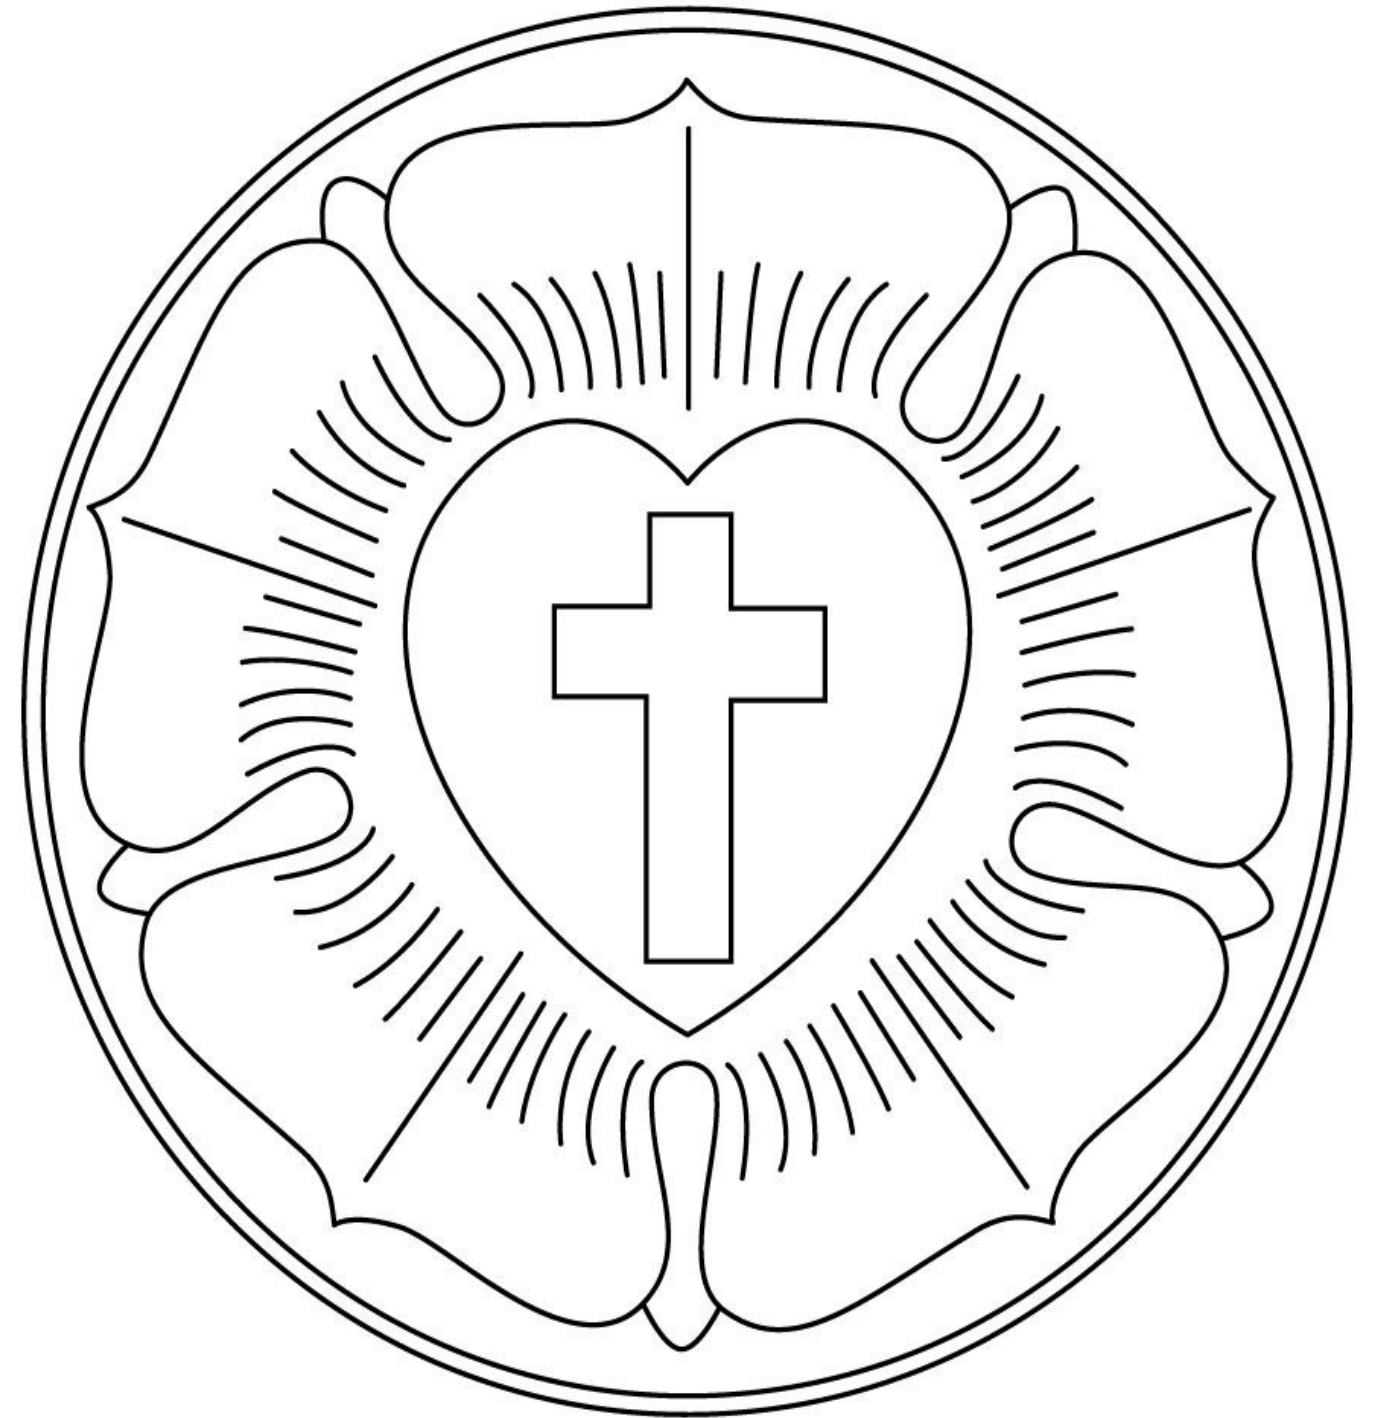

“Remember the Sabbath day by keeping it holy” is more than the Third Commandment to remember to worship on Sundays. Martin Luther in his Small Catechism gives this explanation. “We are to fear and love God that we do not despise preaching and His Word, but hold it sacred and gladly hear and learn it.” And in this congregation it occurs especially Wednesdays, as well as on Sundays.

**Your brother in Christ,
Pastor Mick**
